

Parking Policy at the Charlton Public Library

During library operating hours, there are no restrictions to parking in library property designated spaces. Time limits, where posted, must be followed.

With the following exceptions, after library operating hours there are no restrictions to parking in library property designated spaces.

- Vehicles larger than pickup trucks are prohibited from parking overnight at the library unless present for repairs to the library. This is for the purpose of protecting the surface of the parking lots.
- During library operating hours, vehicles must follow the posted time limit signage present. After operating hours, the posted time limit signage is not enforced.
- Emergency vehicles may park at anytime at the library.
